ESTABLISHMENT YEAR

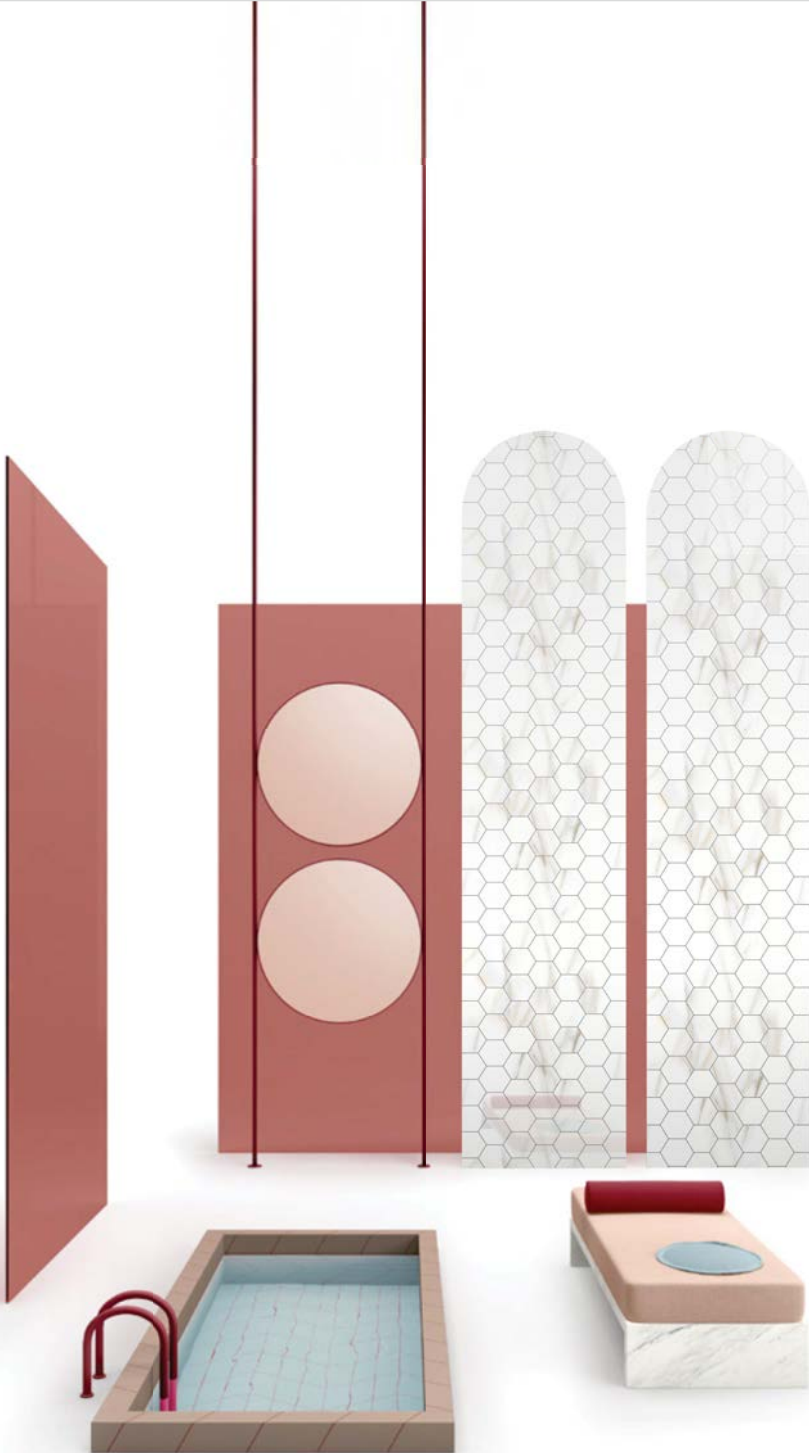

Maps Group was established back in 2010 and therefore its ceramic segment and products meet an extraordinary level of perfection and brilliance due to their more than a decade-long experience. Their forte lies in the latest technology, artistic design, and fine craftsmanship. At Maps, we have adopted state of the art technology from Italy (SACMI).

Besides, we have a team of experts on board who work day in day out to fulfill customer's expectations and demands. Our vast distribution channel helps us to reach to customers from different walks of life. Collection at Maps has a fine blend of visually pleasing and technically sound vitrified tiles that are developed to raise the bar of decor aesthetics that keeps on evolving time and again to respect the changing times and desires of Our group of companies has a total production capacity of 14 Millions sq.mtr/Annual.

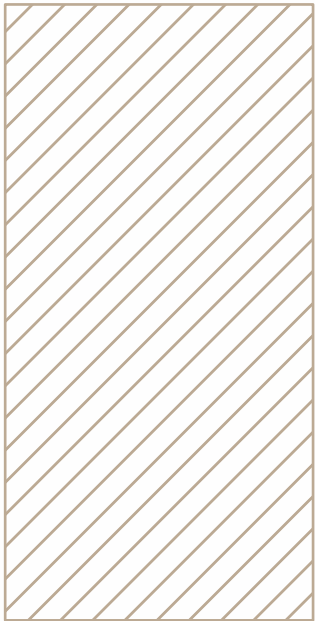

" We believe in making the world more beautiful
with best Quality Products and Innovative Designs". }

Glossy
COLLECTION

Maps is home to a wealth of tile inspiration and one particular collection that never miss its due praise is the glossy collection. Showcasing a variety of designs with a luminous glaze that instantly grabs one by the eye, the glossy collection has become popular as a large format flooring material.

Indulge in luxury
like never before

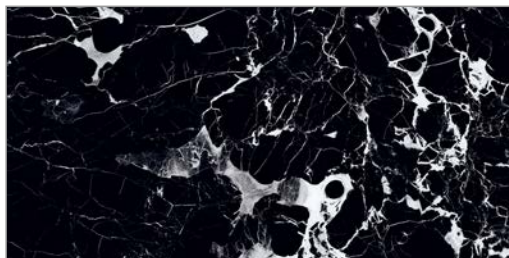

Black Diamond COLLECTION

Made to give a touch of exclusivity and elegance, the Black Diamond Series is an immaculate recreation of luxurious marbles. Produced using modern glazing technology, this collection features three variations with subtle white to grey veinings and speckles on deep black background. Perfect for creating a deep luxurious design in various themes - domestic or commercial! Thanks to its versatility & timeless appeal, Black Diamond Series is becoming highly popular amongst artists, architects, and designers.
